

THE DENTAL  
FOUNDATION  
OF OREGON

Going the distance  
to make a difference.

## Oregon's dirty little secret.

On any given day more than 5,000 Oregon children are suffering from dental pain or infection affecting their ability to learn, eat and stay healthy.

Nearly 44,000 children need treatment for tooth decay, and 9% of our first graders have never been to the dentist.

Less than 35% of our children enrolled in Medicaid receive any care at all, and fewer than 25% of Oregonians have community water fluoridation compared with nearly 75% of people nationwide.

*If dental disease is 100% preventable,  
why is this happening in Oregon?*

---

---

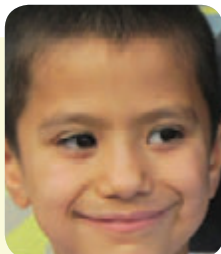

---

Our vision.

We see an Oregon where all children have healthy smiles—where every child understands the importance of good oral hygiene and has access to quality dental care.

## How we help.

The Dental Foundation of Oregon (DFO) is the charitable arm of the Oregon Dental Association, and we work to improve the oral health of uninsured and underserved children in Oregon.

We help eliminate the economic, geographic and cultural barriers to care by delivering free care and oral health education on our mobile dental clinic, affectionately called the Tooth Taxi.

We support non-profit dental programs statewide that are critical health care safety nets in many communities, and we promote the importance of oral hygiene, community water fluoridation, and access to dental care for all children.

In 2010, the need for dental services was tremendous. The Tooth Taxi visited every corner of the state providing free care and oral health education to thousands of underserved children. You can read about the Tooth Taxi and our volunteers in this report. We also feature a few of the nonprofit dental programs we supported during the year that are doing outstanding work in their communities.

We are able to advocate for children's oral health, "fuel" the Tooth Taxi and help nonprofit dental clinics because of the generosity of many donors and volunteers. We thank them for their support, and we are pleased to acknowledge them in this report.

Thank you for helping to make a difference in 2010, and for your commitment to improving the oral health of underserved children in Oregon.

Charles (Charlie) LaTourette  
*Executive Director*

Our mission: Improving oral health for Oregon's children.

## The Tooth Taxi.

### Reaching far and wide.

The Tooth Taxi was very busy in 2010 making 48 school/site visits in communities all over the state. Thanks to our unique partnership with OEA Choice Trust and ODS, the mobile dental clinic is making a real difference for children.

Our full-time dentist and staff spend up to a week at each school providing comprehensive and preventive care and oral health education on the van and in the classroom.

Often front page news in local newspapers, the Tooth Taxi is helping to raise awareness of the oral health challenge in Oregon. In fact, reporters and even legislators have told us, "I had no idea that Oregon children suffered such high rates of dental disease."

Along with increasing awareness of the problem, the Tooth Taxi is a critical component of the broader solution helping to reach children who do not have access to care. We serve thousands of children with immediate needs, and provide many more children with oral health education that gives them the knowledge they need to maintain good oral health for life.

## Tooth Taxi by the numbers.

### NYSSA

Nyssa is on the Snake River in northeastern Oregon near the Idaho border. One first grader reported, "My cousin only has three teeth left 'cause she drinks a lot of soda pop."

Dr. Robert "Tosh" Rudell—who served as the Tooth Taxi dentist for several months in 2010—and the team screened 154 children, delivered in-classroom oral health education to 392 students, treated 13 students on the van and delivered \$18,600 in donated dental care.

**113** Schools/Sites Visited

**8,465** Students Screened

**4,825** Students Received In-Classroom Education

**27,179** Preventive Services Provided

**6,992** Restorative Services Provided

**\$2,138,272**

Total Value of Donated Dental Services

(Figures are as of 12/31/2010, since the launch of the Tooth Taxi in late fall of 2008)

### TOOTH TAXI SERVES AT MISSION OF MERCY

Oregon's first Mission of Mercy (MOM) project was held during Thanksgiving week at the Oregon Convention Center in Portland, serving an astounding 1,554 patients in two days and delivering \$829,119 in donated dental care. The Tooth

Taxi helped anchor the Pediatric Dental Area at MOM. Many thanks to the Oregon Dental Association for taking the lead on this event, and to the over 1,244 volunteers who reminded us all of the true meaning of Thanksgiving.

Above: Dr. Patrick Nearing, Tooth Taxi MOM volunteer and President of the DFO Board of Directors.

# THANK YOU!

Our sincere thanks to the many dental professionals and community volunteers who helped make the Tooth Taxi a success in 2010.

## Thank You, Dr. Heringer!

Our sincere thanks to Dr. Weston W. Heringer, Jr., upon his retirement from the Tooth Taxi in 2010. Dr. Heringer was instrumental in creating and launching the van and served as its first full-time dentist. He developed many of the program processes including the in-classroom oral health education program and the fluoride treatment card. Often working 14 hour days, Dr. Heringer not only served as the Tooth Taxi pediatric dentist on the van, he regularly drove the van and helped keep it in tip-top running order. Thank you Dr. Heringer for your outstanding work on the Tooth Taxi and for your commitment to underserved children in Oregon.

# Tooth Taxi volunteers, staff, and key partners.

## Key Partners

OEA Choice Trust representatives, Holly Spruance and Lisa Mahoney work on behalf of the Tooth Taxi, connecting with schools before the actual visit. This helps the schools prepare for a smooth site visit.

We couldn't do it without them!

Chanel joined us in November 2010.

## Staff

Our strategic partner ODS operates the day-to-day clinical operations of the van. Here Tooth Taxi staff Dr. Weston W. Heringer, Jr., Mary Daly, Stephanie Vogl, Dr. Robert "Tosh" Rudell, and James Olcott pose in front of the Tooth Taxi during a rare break in action.

## 2010 Recipients.

- \$3,000 Advantage Smiles for Kids**  
*Redmond*  
Funding for dental and orthodontic services for underserved children.
- \$5,000 Assistance League of Eugene Children's Dental Clinic**  
Operating support to provide free care to children K-12.
- \$10,000 Boys & Girls Club of Albany**  
Funding to help pay for dental supplies for the new free dental clinic.
- \$4,000 Children's Dental Clinic of Jackson County**  
*Medford*  
Funding to help purchase two Assistant Instrumentation Units to complete the clinic remodel.
- \$5,000 Deschutes County Healthy Beginnings**  
*Bend*  
Operating support for free screening and dental education for children and their families.
- \$10,000 Friends of Creston Children's Clinic**  
*Portland*  
Operating support to help with the re-birth of the clinic.
- \$2,000 Multnomah Dental Society**  
*Portland*  
Support for their annual Children's Health Fair.
- \$10,000 Oregon's Mission of Mercy (MOM)**  
*Portland*  
Operating support for the two-day clinic, and utilization of the Tooth Taxi to anchor the Kid Town Pediatric Dental Area.
- \$5,000 Virginia Garcia Memorial Health Center**  
*Cornelius*  
Funding to support the OB Baby Dental Project which seeks to mitigate the serious health risks facing pregnant women suffering from periodontal disease.

### Children's Dental Clinic of Jackson County

For over 50 years the Children's Dental Clinic has been providing free dental care to low-income, uninsured children living in Jackson County. Last year, the clinic was relocated to a new facility. Thanks to generous donations and grants from numerous organizations such

as the Dental Foundation of Oregon, the Children's Dental Clinic was able to remodel the new space, and equip two additional treatment rooms.

During 2010 the clinic provided \$353,446 worth of donated dental care to 364 children.

---

---

## DFO Community Grants

Since 1982, the Foundation has provided over one million dollars to support nonprofit dental programs and safety net clinics in Oregon.

### The Friends of Creston Children's Dental Clinic

After nearly 50 years of service, the Creston Dental Clinic lost all of its financial support almost overnight, and was faced with closure. A group of smart, dedicated dentists and community members came together to reorganize the clinic and created a new nonprofit called The Friends of Creston Children's Dental Clinic. A grant of

\$10,000 from the DFO helped the group as it sought early stabilization

funding. "We are so grateful to the DFO for its support that has helped Creston to remain open," said Lora Mattson, Executive Director of the Multnomah Dental Society and a board member of the Creston Clinic. "The DFO grant was crucial in helping us pursue our dream and keeping it alive. In just five months,

the clinic has already served over 802 students and delivered \$219,750 in donated dental care.

# Investing in our children.

# DFO Board of Directors

## Recognizing Dr. George "Jim" Darke

The DFO Board of Directors wishes to thank Dr. Darke upon his retirement from the board after 23 years of extraordinary service.

Jim has been instrumental in helping to grow the foundation and bring its message to a broader audience. A past president of the Oregon Dental Association, and a true leader in organized dentistry, Jim helped establish the DFO's planned giving program—the Cornerstone Society—and he helped build the DFO into the organization it is today with his insightful thinking and commitment to helping those less fortunate.

Our sincere thanks to Dr. Darke.

 Gail Zuro

NEVER DOUBT  
that a small group of  
THOUGHTFUL,  
COMMITTED  
CITIZENS  
can CHANGE the WORLD;

indeed, it's the  
ONLY THING  
that EVER DOES.

–Margaret Mead  
American anthropologist

## Cornerstone Society Members

THANK YOU!

*Donors who have remembered  
DFO in their estate plans:*

**Anonymous**

**Dr. George "Jim" Darke**

**Dr. Rick Evans**

**Dr. Mike Goger**

**Dr. Patrick Nearing & Barbara Zukin**

**Dr. William & Kathy Ten Pas**

The **Tooth Taxi** was created through  
a **unique partnership** with...

...and is supported by YOU.
